The committee met Thursday morning, Oct. 9, mainly to discuss the community of interest. Robert Hallis brought up the possibility of helping MACRL with providing distance workshops.

Shannon Mawhiney will work on contributing something to *MO Info*, especially to encourage participating in the CI. She will also try to get everything on the MLA site about the CI updated, and contact the MLA listserv for CI participation.

In April, members reviewed the list of presentations the CI could sponsor and prioritized their selections. Nine were selected for the annual conference. The sessions were as follows:
