

"Library League" Interest Form

The Library League will help us share our passion for all the materials our customers can discover at the Library. We want to create an engaged community of library users and give customers the opportunity to get to know our staff's personalities by learning about our favorite books, TV shows, hobbies and interests.

The Library League will be featured in the branches and on the new website and will generate reading lists, blog posts, and personalized reading recommendations. We are looking for staff from all areas and levels within the District: We want YOU to participate!
