INTERNATIONAL RELATIONS ROUND TABLE

50 East Huron Street
Chicago, IL 60611-2795
USA

Standing together in membership with other librarians and library staff allows you to access important resources to address problems you might otherwise face alone. To help you meet your professional challenges, ALA provides access to a variety of ALA resources, supports your career by enhancing your own knowledge, abilities, and continuing education, and connects you with other members who share interests and work similar to your own.

SUPPORTING THE FUTURE OF INTERNATIONAL LIBRARIANSHIP: THE IRRT ENDOWMENT FUND

Established in 2009, the IRRT Endowment works to support IRRT activities and initiatives which contribute to ALA's important role in international librarianship. Support for the Endowment allows IRRT to provide support for international speakers and programs, promote a global dialogue about librarianship, increase visibility of international opportunities for US and international librarians, and encourage international collaboration in librarianship.
