Teens Top Ten is part of YALSA's Young Adult Galley Project, which facilitates access to advance copies of young adult books to national teen book discussion groups. These groups evaluate books that were published from January of the previous year through April of the current year and create a list of nomination for the best new books for young adults. Teen voters across the country then cast ballots for their three favorites. The votes are compiled and ranked in order to create the list of 10 top books as selected by teen readers.
